BOARD OF REGENTS POLICY REGARDING ALCOHOL ON CAMPUS

406.03	The Board of Regents recognizes and supports present Georgia laws with respect to the sale, use, distribution, and possession of alcoholic beverages on college campuses and elsewhere. To this end, the Board has encouraged its institutions to adopt programs designed to increase awareness of the dangers involved in the use of alcoholic beverages by students and employees of the University System. Such programs shall stress individual responsibility related to the use of alcohol on and off the campus. To assist in the implementation of such awareness programs, and to enhance the enforcement of state laws on the campuses of the University System, each institution shall adopt and disseminate comprehensive rules and regulations, consistent with local, state, and federal laws, concerning the possession or use of alcoholic beverages on campus. Disciplinary sanctions for the violation of such rules and regulations shall be included as a part of each institution's disciplinary code of student conduct. A copy of the policies and procedures adopted by each institution shall be filed with and approved by the Office of the

- as alcoholic beverages. The availability of food should include more than "chips and peanuts," which are often associated with drinking alcohol.
- Organizations choosing to advertise the availability of alcoholic beverages at approved functions will not make reference to the quantity of or overindulgence in alcoholic beverages. References will also be made to the serving of food and non-alcoholic beverages as well as the checking of I.D. cards.
- 7. The sponsoring organization shall be responsible for ensuring that no under-age person is served alcohol. A driver's license or other official identification must be checked to verify that the person is of legal age before a person may receive and/or consume alcoholic beverages.
- 8. Money used to pay for alcoholic beverages must be taken from personal/private sources. Alcoholic beverages will not be paid for by selling them at the activity or charging at the door (as stated in the Georgia Code of Law). Student activity funds shall not be used to purchase alcoholic beverages.
- All alcoholic beverages on campus shall be transported in unopened containers.
- 10. An organizational advisor or alumnus will be aware of or, preferably, in attendance at a social event where alcohol is to be present.
- 11. As stated in Section 3-3-22 of the State of Georgia Code of Law, it is unlawful to serve alcohol to obviously intoxicated persons. Therefore, organizations are encouraged to designate individuals to monitor the service and/or consumption of alcohol.
